Purpose of form. Individuals can use Form 4506T-EZ to request a tax return transcript for the current and the prior three years that includes most lines of the original tax return. The tax return transcript will not show payments, penalty assessments, or adjustments made to the originally filed return. You can also designate a third party (such as a mortgage company) to receive a transcript on line 5. Form 4506T-EZ cannot be used by taxpayers who file Form 1040 based on a fiscal tax year (that is, a tax year beginning in one calendar year and ending in the following year). Taxpayers using a fiscal tax year must file Form 4506-T, Request for Transcript of Tax Return, to request a return transcript.

Use Form 4506-T to request the following.

- A transcript of a business return (including estate and trust returns).
- An account transcript (contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed).
- A record of account, which is a combination of line item information and later adjustments to the account.
- A verification of nonfiling, which is proof from the IRS that you did not file a return for the year.
- A Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript.

Form 4506-T can also be used for requesting tax return transcripts.

Automated transcript request. You can quickly request transcripts by using our automated self-help service tools. Please visit us at IRS.gov and click on "Order a Transcript" or call 1-800-908-9946.
